# Jadhav appears to be under extreme pressure, says India

SAJJAD HUSSAIN  
Islamabad-New Delhi,  
September 2

FOR THE FIRST time since Pakistan detained Kulbhushan Jadhav in 2016, a top Indian diplomat met him on Monday for two hours and reported that he appeared to be under "extreme pressure" to parrot a false narrative to bolster Islamabad's untenable claims in his case.

Charge d'Affaires at the Indian High Commission in Islamabad Gaurav Ahluwalia met Jadhav for two hours after Pakistan granted consular access to the retired Indian Navy officer following a directive from the International Court of Justice (ICJ) in July.

Jadhav, 49, was sentenced to death by a Pakistani military court on charges of "espionage and terrorism" in April 2017, following which India had moved the Hague-based ICJ, seeking a stay on his death sentence and further remand in India. India had been seeking consular access to Jadhav for the past three years.

The consular access to Jadhav came in the midst of spiralling tensions between the

two countries after India withdrew J&K's special status and bifurcated it into two Union territories. On August 7, Pakistan expelled Indian High Commissioner Ajay Bhatia after it downgraded the diplomatic ties with India over the Kashmir issue.

The Ministry of External Affairs in New Delhi said Jadhav appeared to be under "extreme pressure" to parrot a false narrative to bolster Islamabad's untenable claims in his case.

Ministry Spokesperson Ravesh Kumar said Monday's consular access is a part of the "binding obligations" of Pakistan as ordered by the ICJ to ensure effective review and reconsideration of the conviction and sentence awarded to Jadhav through a "fair trial process".

"While we await a compre-

hensive report, it was clear that Jadhav appeared to be under extreme pressure to parrot a false narrative to bolster Pakistan's untenable claims," he said. "We will decide a further course of action after receiving a detailed report from our Charge d'Affaires and determining the extent of conformity to the ICJ directives."

The government remains committed to continue to work towards ensuring that Jadhav receives justice at the earliest and returns safely to India," Kumar said. He also said that External Affairs Minister S Jaishankar has spoken to Jadhav's mother and briefed her about the latest developments.

In Islamabad, the Foreign Office said in a statement that consular access was provided at 1200 hours (12.30 hrs IST) and lasted for two hours.

The consular access happened "in the presence of officials of the Government of Pakistan," it said. On India's request, there was no restriction on the language of communication, the FO said, adding that the "access was recorded."

"As a responsible member of

the international community and in line with our international commitments, Pakistan has provided uninterrupted consular access to India to Commander Jadhav," the statement said without closing the venue of meeting. However, the Pakistani media reported that the meeting took place at a sub-jail here.

Before meeting Jadhav, the senior Indian diplomat met Pakistan Foreign Office spokesperson Mohammad Faisal at the foreign ministry.

On August 1, the Foreign Office said the retired Indian Navy officer will be granted consular access the next day. However, the meeting, which was scheduled for 3 pm on August 2, did not materialise amid differences between India and Pakistan on the terms of the consular access to Jadhav.

India had demanded "immediate, effective and unhindered" consular access to Jadhav from Pakistan and was in touch with Islamabad through diplomatic channels.—PTI

## Journalist booked for recording video of salt-roti midday meal

PRESS TRUST OF INDIA  
Lucknow, September 2

THE POLICE HAVE lodged a case against a journalist and a village head representative, accusing them of maligning the Uttar Pradesh government by recording a video of children at a school being served roti and salt as their mid-day meal last month.

Hours after the media reported lodging of the FIR, basic education minister Sarth Dwivedi said on Monday the action against the journalist for merely exposing corruption and highlighting reality should not have been taken.

"I will ask the SP (superintendent of police) on what basis the police have acted," Dwivedi said.

The Samajwadi Party denied the filing of the FIR on attack on "free and fearless journalism," with president Akhilesh Yadav saying everyone should unite for freedom of expression.

The complaint stated that the village head representative, Rajkumar Pal, was aware that only rotis were cooked and vegetable was not cooked in the Sijur Primary School in Jamalpur block of Mirzapur district.

But "instead of arranging for it," Pal called journalist Pawan Kumar Jaiswal, who works in the print media, and "pressed him to run it" in the electronic media, according to the complaint lodged by Mirzapur block education officer Prem Shankar Ram at the Akhaura police station on Saturday. Jaiswal and Pal have been booked under sections of the Indian Penal Code, a senior police officer said. Some unnamed persons are also mentioned in the FIR. According to the complaint, Jaiswal and Pal had conspired and deliberately made the video in a well-planned manner and did "despicable work" of maligning the image of the state government.

Jaiswal, however, denied the allegations. "This is against journalism. You can see the news and verify it," he told a television channel. "Nothing is being created. I had told everything (to officials)."

The video of students being served salt and roti in their mid-day meal had gone viral on social media on August 22, triggering widespread outrage and leading to the suspension of two teachers. "The journalist shot the video on his mobile and shared it with an electronic media agency," the FIR stated.

"I will see what is the real matter. Action only for exposing corruption and highlighting reality should not have been taken," the basic education minister told reporters. "I will seek a report from the SP only after that I will be able to tell you."
